

What People Are Saying

“Working with [Chef Lam] not only gave me a new found confidence in the kitchen, but the experience also gave me a whole new set of cooking skills...I now view my time in the kitchen as a way to be creative. Now I cook not only ‘by the book,’ but use my senses to enhance and create... Having the chance to work with a professional chef in the privacy of my home is a rare opportunity, and I am happy to have found a way to achieve it through [Chef Lam.]”

Dana, Culinary Session Client

“Chef Lam’s take on food is a simple one: enjoy what you do and the rest will fall into place. I appreciate the effort he puts forth in our store every time he demonstrates. My customers give me great feedback, as he answers their questions, shows them step-by-step, and piques their interest...Chef Lam really knows his stuff and is able to pass that on in a way that everyone can latch onto.”

Amanda, GM, Williams-Sonoma/Burlington Mall

“I’ve had the pleasure of having Chef Lam speak at several sports camps, and I’ve found his demeanor and knowledge to be exceptional. He spends time with the athletes not only giving advice, but listening to their needs. I recommend him to all of my clients, from high school and collegiate athletes to professional athletes.”
